Tuition received after the 10th of the month is considered late; a 10% late fee will be charged for all payments received after the 10th day of the month

Tuition is not prorated for the months in which we observe holidays listed on the "Academic Calendar". Cancelled class for another reason will be made up with a make up class.

Dancers will not be allowed to participate in class if payments are more than 1 month in arrears unless authorized by CDA management.

Additional fees are due by the date on the payment scheduled included. If these fees are unpaid by the due date, participation in the event will be suspended
